TAKING A CLOSER LOOK AT THE NEW LOGO

Within the President's Corner article, President Kara Beer shared the Chamber's new strategic direction, goals and horizons that are upon us (see Cover). As part of our new direction, we've established a new brand that better complements our current and future goals now and far into the future. Our brand continues to be built off of the iconography of the original logo while the colors are meant to showcase different aspects of the Chamber's goals and ideals (see below). Being the Chamber, we're one of the first fronts for welcoming people to the Greater Battle Creek Area and Calhoun County. The logo itself is meant to be warm and inviting. Redesigned to be a continuation of the use of wheat abstracted into the State of Michigan. The icon is literally waving and welcoming everyone to the area. Also, part of our brand is the wheat deconstructed into a pattern meant to resemble the bristles of wheat in the wind, illustrating the flow and flexibility of the Chamber found throughout our work.

With the new brand, this is how our colors fit within our strategic direction:

- **Cobalt** | Classic Chamber Blue, Governance
- **Teal** | Storytelling, Communication & Trustworthiness
- **Crimson** | Community Advocacy, Red of Jackets (Ambassadors)
- **Gold** | Center of Excellence, Center of Attention, Energy & Excitement
- **Chartreuse** | Organization Excellence, Growth & Deep Roots, Commerce & Economic Growth

As we welcome and celebrate the New Year, please stay tuned into the Chamber's marketing and communication channels as we continue to roll out more aspects of what's to come. We're confident that you'll find the new brand to withstand the test of time representing our mission, vision, and strategic values as we continue to serve you, our members.

U.S. CHAMBER AWARDS BATTLE CREEK AREA CHAMBER OF COMMERCE WITH 5-STAR ACCREDITATION

The United States Chamber of Commerce, at its board meeting in early November, awarded the Battle Creek Area Chamber of Commerce with 5-Star

Accreditation for its sound policies, effective organizational procedures, and positive impact on the community. The 5-Star designation places your Battle Creek Area Chamber of Commerce in the top 1% of Chambers across the nation.

“It is critical that business leaders have a voice in the debates that will shape the business climate in their communities,” said Raymond P. Towle, IOM, CAE, U.S. Chamber vice president of Federation Relations and Institute for Organization Management. “Accreditation recognizes a chamber’s work to foster a healthy business climate that enhances the quality of life for its members and its community.”

Accreditation is the only national program that recognizes chambers for their effective organizational procedures and community involvement. In order to receive Accreditation, a chamber must meet minimum standards in their operations and programs, including areas of governance, government affairs, and technology. This extensive self-review took 9 months to complete.

The Battle Creek Area Chamber of Commerce has demonstrated a good track record of operating a successful chamber and achieving desirable results for its members and has been an accredited chamber since 1972 and a prestigious five star chamber since 2009. The U.S. Chamber of Commerce is proud to accredit the Battle Creek Area Chamber of Commerce with our Five-Star designation for a third consecutive cycle.

“As the President of the Battle Creek Area Chamber of Commerce, I am extremely honored that we have been awarded the five star accreditation for a third time,” said Battle Creek Area Chamber of Commerce President Kara Beer, IOM. The Board of Directors, members, staff and volunteers of the organization make us the premier business association whose influence, solutions, and networks drive economic growth in the Battle Creek area, enabling businesses, community and people to prosper in an ever-changing economy.”

Local chambers are rated Accredited, 3-Stars, 4-Stars, or 5-Stars. State chambers are recognized as either Accredited State Chamber or Accredited State Chamber with Distinction. The final determination is made by the Accrediting Board, a committee of U.S. Chamber board members.

The U.S. Chamber of Commerce is the world’s largest business federation representing the interests of more than 3 million businesses of all sizes, sectors, and regions, as well as state and local chambers and industry associations.

The Battle Creek Area Chamber of Commerce will provide the best in member services and aggressive business advocacy to create a climate for employer growth and a prosperous community for all.

As the City of Battle Creek's airport celebrates 95 years of operation, its new name is **Battle Creek Executive Airport at Kellogg Field**. The new name indicates the primary, business aviation function of the airport, with the word "Executive." Those involved in the planning also worked to bring the "Battle Creek" geographic location back to the airport's name, and included "Kellogg Field" to recognize the airport's heritage. "The new name represents the perfect culmination of our rich heritage, and our identity as a large, general aviation airport that serves a unique business aviation niche," said Airport Director Larry Bowron. **For more information, contact Airport Director Larry Bowron at 269.966.3470.**

Cereal City Concert Band has been awarded a grant of \$4,500 from the State of Michigan Council for Arts and Cultural Affairs (MCACA) and the National Endowment for the Arts. Organizations receiving a MCACA grant award are required to match those funds with other public and private dollars. We've been approached by an anonymous donor wanting to fund a 2 for 1 match and has challenged us to raise \$2,500 by May 31. This match applies to new and current donors who'd like to increase their support. This grant, if matched, will enable us to expand programming, showcase guest artists, and fund necessary operational costs for performances. To ensure a long-lasting presence in Battle Creek, we're asking for your consideration in becoming a sponsor. **Visit cerealcityconcertband.org, email us at cccb@cerealcityconcertband.org, or call 269.962.2153 to become a sponsor.**

A gorgeous historic theatre set in downtown Marshall, The Franke Center for the Arts has become a top regional destination for live concerts and theatre. "We believe the arts is the soul of a community," said Jacob Gates, The Franke Center's new executive director. A Marshall native, Gates grew up performing on the Franke Center's stage before going on to a career as a professional actor and writer in Los Angeles. As a member of Marshall's city council, Gates is interested in more than just cultural benefits of the arts. "The Franke Center is a huge economic driver for Marshall's downtown," he said. "Around sixty-five percent of our audience for each show comes from outside the Marshall-Battle Creek area. That's a lot of people and a lot of revenue coming into the region."
